fabric width (cm) 140

material 91 % Polyester; 6 % Cotton; 3 % Linen

transparency opaque fabric

care instruction     

characteristics   

suitable for  

Repeat width 2

Repeat height 3

description

EFFECT is highly versatile. Its small float stitches have an appeal evocative of saddle stitching. This evocative, multi-coloured fabric impress with a light and natural background. It is also highly multi-functional: It works wonderfully on its own, as an accessory or in a dr eam team paired with other fabrics from the same collection.
