suitable for    

Repeat width 75

Repeat height 120

description

NEDA is perfect for those of us who ease into the morning gently. This transparent single-coloured fabric is the base for the burn-out fabrics COSMA and CARLA and it has captivating delicate yarn effects in the warp and the weft. NEDA also has a very special cheesecloth look, which, instead of creating a rustic feel, gives it a fresh, contemporary and elegant appearance.
