material	100%PES FR
transparency	opaque fabric
care instruction	    
characteristics	    DIN 4102 B1
suitable for	  
Repeat width	-
Repeat height	-

description

LUMIERE DIMOUT is twice as beautiful. Because the faux-uni is printed on both sides, sometimes harmoniously in similar colours, sometimes rich in contrast. Both colour schemes invite for creative decoration. What a "pity" that you cannot always enjoy them – because LUMIERE DIMOUT also ensures your carefree sleep through perfect darkening. Still you can simply dream about the finely printed texture, the pleasant feel and the soft fall of the permanently flame-resistant yarn.
