

As refreshing as a day by the sea...

... or a day in the mountains, picnicking by the lake or in an elegant metropolis - you decide where your short escape from every-day life takes you. ADO's latest PERFECT GETAWAYS collection provides the perfect textile companion for any destination. With charm and versatility, they open up new perspectives and bestow moments of joy all year round, just like an unforgettable weekend getaway. What's your favourite GETAWAY?

Seaside: Sounds of the sea and a fresh breeze

Seagull motifs, effects of washed up driftwood and textures inspired by sea spray: These fabrics are just like taking a relaxing walk on the beach in the warm sunlight, while a soft breeze blows away the last traces of winter.

SEA BREEZE 8134

Like an effortless seaside sketch, the seagull pattern in five gentle pastel shades and can help your decoration soar to new heights. Made from easy-care polyester but exuding the natural grace of cotton, **SEA BREEZE** radiates airy light-heartedness.

Decorative fabric, semi-transparent, seagull pattern, 100 % PES, 295 cm, 5 colours

MARE 8133

A beautiful view: Sporting horizontal gradients, **MARE** recreates the fascinating colour patterns of the horizon, from dawn to sundown. Whether you're gazing at the sea or over the countryside, these modern digital prints create appealing textile vistas.

Transparent fabric, digital print, horizontal colour gradients, 100 % PES, 295 cm, 5 colours

MALIN 3108

Rhythmic longitudinal lines run across the bright backdrop of **MALIN**, like rays of sunshine sparkling on the water's surface. The Scherli shimmer on the semi-transparent fabric like delicate bursts of light in a variety of colours.

Scherli, inbetween, semi-transparent, 100 % PES, 300 cm, 5 colours

FOLIAGE 1205

The fresh colour gradients of **FOLIAGE**'s Jacquard pattern of **FOLIAGE** call to mind delicate, leaf-like textures. Gazing at the opaque Scherli fabric is like lying under a tree and staring into the sky.

Decorative fabric, opaque, Jacquard, 100 % PES, 295 cm, 6 colours

PINO 3223

The linen-style mesh fabric transforms the natural scale into a versatile blend of relaxed, transparent decorations. It provides light, aesthetically appealing glare protection without blocking out the light of the spring sunshine.

Leno weave, transparent, 100 % PES, 300 cm, 10 colours

GROVE 3106

Light, summery patterns with transparency and opaqueness. **GROVE**'s opaque Scherli stripes are grouped into abstract patterns on a transparent backdrop - available in four shades of white and sand.

Scherli, transparent, 100 % PES, 300 cm, 4 colours

PLIA 1107

PLIA is light and airy like a summery breeze, and highlights your windows with innovation and style. Its vertical pleating provides the fabric with volume, while creases of various width ensure a casual, relaxed look and a soft cascade. Available in cloud-white, as well as delicate shell and sand colours.

Decorative fabric, pleated design, single-colour, 100 % PES, 290 cm, 5 colours

City weekend: Culture and cappuccino

Elegant patterns, classy fabrics and a generous pinch of glamour. This series is a textile excursion to a Mediterranean metropolis - from the aperitif in the street café to stylish catwalk fashions and a night at the theatre. Benissimo!

PALLADO 1437

This decorative satin with traditional damask patterns is a new twist on the flair of centuries-old, magnificent buildings for modern interiors. The interplay of shiny and matt surfaces and the elegant colour patterns invite you to explore playful combinations with **FRESCO**.

Decorative fabric, Jacquard, damask, 100 % PES,
300 cm, 11 colours

PADUA 3015

This allover pattern recalls the light reflected off the soft waves of a lagoon, like cross-hatched twinkles spreading across the transparent background - in both white and contemporary brass and copper shades.

Leno weave, transparent, effect thread, 100 % PES,
300 cm, 4 colours

SIENA 3109

Elegant block stripes given an extra touch of finesse by the interplay between the transparent and the opaque, matt and shiny fibres. The elaborate Jacquard texture creates a varying colour glow in stripes, calling to mind precious patina.

Stripes, transparent, Jacquard, 100 % PES, 290 cm,
7 colours

FRESCO 1438

Generous block stripes radiate the noblesse of antique palaces. The classy Craquelure texture on the shimmering satin unfurls into a Mediterranean elegance whose natural and gemstone colours harmonise perfectly with the decorative **PALLADO** fabric.

Decorative fabric, stripes, satin, 100% PES, 300 cm, 11 colours

COLLAGE 1518

Twin set for upholstery: The patchwork look of the robust chenille fabric harmonises in colour and surface texture with the **CANTARO** upholstery fabric, inviting you to explore impressive tone-to-tone combinations.

Upholstery fabric, Jacquard, patchwork look, 58 % PES, 42 % PAN, 140 cm, 11 colours

CANTARO 1517

A feast for the senses. **CANTARO** is equally appealing to both your eyes and your fingertips. The elegant chenille fabric combines its attractive moiré texture with twelve muted, natural colours and a pleasantly soft touch.

Upholstery fabric, Jacquard, moiré texture, 52 % PES, 48 % PAN, 140 cm, 12 colours

BLING 3014

Gala range: **BLING** places windows in the spotlight. With the iridescent light reflections of its delicate sequins, the transparent leno weave emits the glow of grand appearances. Available in white, silver, brass or copper.

Transparent, effect thread, sequins, 100 % PES, 320 cm, 5 colours

VENETO 9814

An elegant leap back in time. **VENETO** demonstrates with a flourish how to transpose an opulent damask pattern into a devoré with modern ease. This artful appearance in four gentle shades is crowned with soft-gloss pearl effects.

Devoré print, transparent, 75 % PES, 25 % VI, 300 cm, 4 colours

MARILYN 8408 (1)

Soaring to new whites. This all-over pattern composed of twinkling glass crystals brings the glamour of its namesake to your interior. The glittering lights applied to the softly flowing, white surface turn this inbetween into a star of textile decoration.

SCARLETT 8407 (2)

The **SCARLETT** inbetween poses boldly at your window, with a border made of elaborately applied glass crystals. Their sparkle on the smooth, transparent fabric lends it all the elegance of a beautiful silk scarf.

Inbetween, glass crystal application, 100 % PES, 300 cm, 2 colours

Mountain view: Springtime with a panoramic view

Welcome to the Chalet! Allow your eyes to wander over hills and valleys, taking in flora and fauna from the branch patterns to motifs such as squirrels, beetles and butterflies. Softly flowing qualities in the natural colours of spring are guaranteed to resonate throughout your home.

BOSCO 1439

BOSCO is the perfect starting point for a glance into the enchanted garden. Flowers and berries, birds, insects and squirrels all come together in the exhilarating, all-over patterns of this two-tone Jacquard fabric. The soft cascade and fresh spring colours are simply spellbinding.

Decorative fabric, Jacquard, 100 % PES, 290 cm,
7 colours

YULANA 8129

YULANA will make the magnolias in front of your window bloom in a gentle spring greeting. The picturesque pigment print on the natural background brings the beauty of its floral inspiration into your home.

Pigment print, transparent, 100 % PES, 305 cm,
4 colours

BELLUNO 8516

The transparent fabric structure of **BELLUNO**, with its integrated, multi-colour effect threads, calls to mind a lively mountain stream. The crash look also accentuates the fresh, lively textile image which is particularly effective as lightly placed decoration.

Stripes, crash, transparent, 100 % PES, 290 cm,
7 colours

MONTANA 1522 (1)

This large, cottage-style plaid with traditional twill weave is criss-cross in more than just design – its cosy upholstery fabric is also perfect for crossing and combining with **RIVO**, **RAVELLO** and **CASTELLO**.

Upholstery fabric, plaid, twill weave, 100 % PES, 140 cm, 5 colours

RAVELLO 1521 (2)

This thin-striped pattern has special charisma due to its grainy texture and the soft chenille thread. It is equally effective on chairs, corner benches and poufs, or even as a pillow.

Upholstery fabric, stripes, grainy texture, 100 % PES, 140 cm, 6 colours

RIVO 1520 (3)

RIVO is a proven talent of versatility. The universal-use chenille upholstery fabric with grainy texture and soft grip in 14 single colours provides the calming pendant to the myriad patterns.

Upholstery fabric, single-colour, grainy texture, 100 % PES, 140 cm, 14 colours

CASTELLO 1523 (4)

Picture perfect. The ornamental all-over pattern of **CASTELLO** has the look of antique farm designs on wooden chests or doors, thanks to its Jacquard texture. Textile artistry to add flair to the modern interior of the country home - available in six colour variations that harmonise with **RIVO**, **MONTANA** and **RAVELLO**.

Upholstery fabric, Jacquard, ornamental, 100 % PES, 140 cm, 6 colours

MAXIM 3225

This inbetween with threads of various colours calls to mind the woven texture of a loom chair with its soft, flowing drape. The light colours of **MAXIM** range from warm sand and sun tones to notes of wood and the fresh, blue-green scale of the sea.

Inbetween, single-colour, fabric structure 100 % PES, 300/220 cm wide, 23 colours

VARINO 1147

A sophisticated colour mélange, a soft touch and a natural appearance lend **VARINO** the air of a refreshing springtime walk. The colour impressions range from cloud white and wooden and stone shades to gentle sky blue and meadow green.

Decorative fabric, single-colour mix, 100% PES, 295 cm, 15 colours

POESIA 9815

This romantic devoré pattern is true to its name. Floral vines spread delicately across the white background in four powder pastel shades, refined with fine metallic sprinkles. A lyrical air that will transform even small, cottage-style windows into a decorative poem.

Devoré print, transparent, 90 % PES, 10 % CV, 295 cm, 4 colours

Lakeside: A natural experience with sea view

A spontaneous excursion into the countryside that allows everyone to follow their passion: reading among the meadow flowers on generous print fabrics, relaxing in all the single-colour shades of summer, or boating before a gentle, wavy, striped pattern. Summer freshness made fabric - enjoyment pure and simple.

BLUMENWIESE 8128

This aromatic, transparent fabric will take you away to a sunny meadow with its soft, watercolour flowers and five fresh spring colour combinations. The digital print pattern blooms out of the fine **LINTO** base fabric, making it a perfect combination partner.

Digital print, transparent, flame-retardant,
100 % PES FR, 300 cm, 5 colours

PRADO 1059

PRADO celebrates the lightness of being, with 21 fascinating colours and a delicate herringbone texture. Washable at 60°C and flame-retardant, caring for this causal decorative fabric as simple as a spontaneous weekend drive.

Light decorative fabric, single-colour, flame-retardant,
100 % PES FR, 300/220 cm, 21 colours

LINTO 3105

A fabric that's ready for anything. Uncomplicated, easy to combine and machine-washable - this fine, linen-like fabric in 29 appealing colours is a true decorative all-rounder. **LINTO** is flame-retardant, and easy on the eye in both private and public places.

Single-colour, transparent, flame-retardant, 100 % PES
FR, 305/220 cm, 29 colours

VIA 3102

In this model, **LINTO** provides the single-colour background for the generous stripes of **VIA**. Fine lines are condensed in the centre of the stripe, playfully combining the transparent and the opaque. Available in twelve colours, ranging from traditional black-and-white to fresh sun, water and meadow shades.

Stripes, transparent, flame-retardant, 100 % PES FR, 305 cm, 12 colours

LINEA 3104

Sporting the freshness of summer, **LINEA** makes good on its name: with its slender, two-tone stripes and flame-retardant structure, this transparent fabric is equally suited to use as net curtains, blinds or panel curtains. Nine appealing colour combinations bring textile summer freshness into the your home.

Stripes, transparent, flame-retardant, 100 % PES FR, 305 cm, 9 colours

GLAZE 8127

GLAZE provides the perfect visual accents for your windows: geometric shapes combine to create a multi-faceted mosaic of transparency and light. The watercolours soften the hard, straight edges of the pattern. Like all the fabrics in the **PICNIC** series, **GLAZE** is washable at 60° and flame-retardant.

Dispersion print, transparent, flame-retardant, 100 % PES FR, 300 cm, 6 colours

SNOOZE DIMOUT 1397

The densely woven and wonderfully soft quality of this dim-out fabric keeps up to 90 % more daylight out of your room. Available in 18 colours, **SNOOZE DIMOUT** ensures deep, relaxed sleep. It is also flame-retardant, making it suitable for use in both private and hotel rooms.

Decorative fabric, single-colour, dim-out,
flame-retardant, 100 % PES FR, 300 cm, 18 colours

About the company

In 1954, ADO, which is named after its location in AschenDorf, Germany, was founded by Hubert and Marianne Wulf as a supplier of premium quality curtains and décor fabrics. The 'Goldkante' became a symbol for the quality of this internationally respected German textile specialist. ADO has been a part of the ZIMMER + ROHDE Group since 1st January 2013.

ADO Goldkante – For rooms with a zest for life

ADO textiles bring harmony, airiness and a pure zest for life into homes. Extraordinary details, natural textures and countless degrees of transparency ensure a natural cosiness at home and bring your dream interiors to life. The wide spectrum of patterns – from urban to natural, elegant to playful – offers the perfect material for every taste. Aspects such as easy care and diverse combinations also meet the individual needs of everyday life; with a five-year guarantee. That's why ADO fabrics make the perfect design elements for all rooms and every phase of life.
