

Product data sheet

LUMIERE DIMOUT is twice as beautiful. Because the faux-uni is printed on both sides, sometimes harmoniously in similar colours, sometimes rich in contrast. Both colour schemes invite for creative decoration. What a "pity" that you cannot always enjoy them – because LUMIERE DIMOUT also ensures your carefree sleep through perfect darkening. Still you can simply dream about the finely printed texture, the pleasant feel and the soft fall of the permanently flame-resistant yarn.
