

Product data sheet

TONIA ushers in the dawn. The atmospheric colour gradient provided by the multi-coloured yarn is a playful and decorative addition to the well-loved base fabric, PRIMO. Inspired by the sunrise, this decorative fabric starts with white and progresses either to soft beige tones, discreet shades of sand and grey or to the fresh colours of daybreak – to yellow, orange and red.

Tonia

ARTICLENUMBER	3473 / 110
COLLECTION	Celebrate the Moment
NUMBER OF COLORS	3
MOTIVE	Stripes
