

Product data sheet

STUART makes any house into a home. If you are looking for both a clear view and a homely atmosphere, then STUART is the perfect fabric for you. A delicate mesh structure covers the highly transparent fabric and thus gives it an architectural clarity. Its uneven thread thickness give rise to a natural effect when installed on a window. STUART can also be combined creatively with other decorative fabrics.

Stuart

ARTICLENUMBER	3527 / 110
COLLECTION	ADO - H19
NUMBER OF COLORS	2
MOTIVE	Uni
TRANSPARENCY	Transparent fabric
FABRIC WIDTH	290 cm
EFFECTIVE WIDTH	-
WEIGHT	48 g/m ²
MATERIAL	100% Polyester
