

Product data sheet

HI VELVET. Hi colour explosion. This cosy, fully synthetic, single-colour velour is available in colours ranging from fresh, brilliant ones through to intense, elegant tones that are sure to catch your eye. A further highlight: its modern, moisture wicking HITEX fibres that are soft to the touch and boast superb technical performance when it comes to cleaning and maintenance. Chemical-free, skin-friendly and made in Germany – ideal for everyone, especially for those with allergies!
