

Product data sheet

PHLOX & DAHLIA is opulent and elegant, soft and flowing and can be used in many different combinations. It's a new twist on the classic floral print on the single-colour velour BELLE – and it's a great way to make a statement. To behold this magnificent, artfully curated floral ensemble – available in four colours – is like looking through a kaleidoscope. Its floral pattern, inspired by twentieth century English designs, can be combined with modern furnishing styles.
