

## Product data sheet

IMPULSE is a wonderful voluminous curtain fabric with sleep factor guaranteed. Thanks to its dimout character the prerequisites for restful sleep are ensured and its acoustic and thermal properties ensure a calm and cozy atmosphere. Sweet dreams!

Top tip: Despite the energy crisis it will help to reduce heating costs.

### Impulse Dimout FR

|                   |                                                                                                                                                                                                                                                                                                                                                                                                                                          |
