

Product data sheet

Ooh OOLONG! This sheer fabric's raw, natural texture is beautifully dramatized by sunlight. In these moments, OOLONG's own materiality – a blend of 53% BCI cotton and 42% recycled polyester – is revealed in all its splendor, underscoring the surrounding architecture of concrete, steel, wood, and glass. The natural tones further emphasize the unique character of this fabric.

Oolong

ARTICLENUMBER	3028 / 191
COLLECTION	Color Stories
